

MaryBeth McCabe - New Britain Township Supervisor (incumbent)

In 2018 and 2019, I was unhappy with the treatment of residents by NBT, as well as the neglect of township facilities. I knew it could be improved if the Supervisors cared about the residents. I am running for re-election as I hope to continue the changes and improvements that have occurred over the last few years. To ensure good management, wise use of resources and the preservation of township resources.
