

Marina Village Middle School 6th Grade Student Supply List

This is a list of supplies that all sixth-grade teachers will be using. Your child's individual teachers may request additional supplies at Back to School Night. Thank you for your support!

A **Student Planner** will be **given to students** at the start of the school year to use in class. **Student Planner:** Students need to record all assignments and due dates for all classes.

It is strongly suggested that students **purchase the following** items:

- **4 plastic folders with pockets:** Backpacks can get heavy with binders. Students will need a folder for each core subject. Small amounts of binder paper can be kept in each folder. We recommend writing the subject on the front of each folder, and "homework" on the inside left pocket, and "done" on the right pocket. It would be helpful to have brackets in the middle to attach hole-punched worksheets.
- **Binder Paper:** College ruled.
- **Graph Paper:** ¼ inch.
- **Pencil Pouch and Pencils:** A supply of #2 pencils.
- **Blue/Black pens** need to be used for English and History assignments. Please do NOT get glitter pens.
- **Red Ball Point Pens:** will be used for corrections and grading
- **Colored pencils-** a basic box of 12 is fine.
- **Highlighters-** Pink, yellow, or green.
- **Sharpie**
- **Dry Erase Markers**
- **Eraser:** Get a good one - the white kind is better than the pink kind.
- **Glue Stick:** We have some for each classroom, but we tend to run out by December.
- **Calculator-** Does not need to be a scientific calculator for sixth-grade math.
