

Houses we build are based on individual orders or proven, ready-made designs.

One of them is our original project ROSA, an elegant single-story house in the style of a modern barn. ROSA features a clean, simple form, spacious interiors, and functional room layout – perfect for a family of five.

- ✓ 120 m<sup>2</sup> of usable space
- ✓ 4 rooms
- ✓ kitchen with pantry
- ✓ living room with dining area
- ✓ toilet
- ✓ bathroom
- ✓ vestibule
- ✓ utility room
- ✓ hall

ROSA is a ready-made project for a brick house, ready to be adapted to your plot. The project can be brought to a raw open state or developer's finish.

Included in the price of the developer's finish:

- comprehensive construction of the house in brick technology
- building permit costs
- supervision of the construction manager
- supervision of the engineer and access to the mobile application
- heat pump

Feel free to contact us or visit our website for more details about the ROSA project
