2. Tell Bezos: Enough is enough!

We've sent over 9,000 letters and we need more!

If you value The Post's journalism and care about its future, we ask that you join us in our call to **#SaveThePost** by telling Post owner Jeff Bezos, publisher Will Lewis and executive editor Matt Murray: Enough is enough!

Write a letter and share this link:

3. Call the boss, flood their phones

Call these numbers:

Will Lewis, Publisher (Chief of Staff): (202) 334-9954

Matt Manahan, ArcXP: (202) 334-9627

Read this script:

Will Lewis/Matt Manahan, I am calling you to demand NO layoffs at The Post, and to stop union busting workers! We need journalism now more than ever, we cannot afford to lose the hundreds of journalists at our nation's hometown paper due to your mismanagement. ***Enough is enough. Without the staff of The Washington Post, there is no Washington Post.***

4. Tell the world: #SaveThePost

Post this to your socials with a link to the letter campaign:

Jeff Bezos just laid off hundreds of journalists at The Washington Post — including the Amazon reporter. When billionaires own the news, truth takes a back seat to profit and power. That's dangerous for all of us.

We must demand better, #SaveThePost:
