Disclosure of Information: As a general rule we will not share Personal Data that directly identifies you (such as your name, e-mail or postal address) with independent third parties without your consent, unless it is either required by law or we determine that disclosure is reasonably necessary to enforce our rights, property or operations or to protect our players or third parties. We may share anonymous or aggregated information, or other data that does not directly identify you, with third parties for the purposes of delivering targeted advertising.

Security: PlayInteractive.IO takes appropriate security and technical measures to protect your information from unauthorized access, loss and misuse. However, we cannot guarantee the absolute security of your information online and offline, as the Internet by its nature is not a secure environment and the security risks is constantly evolving. So, you should always take care when sharing your information online.

Links to Other Websites/Apps/Games: Our game may contain advertising and links to other websites of interest. However, once you have used these links to leave our site, you should note that we do not have any control over that other website. Therefore, we cannot be responsible for the protection and privacy of any information, which you

provide whilst visiting such sites and this privacy statement does not govern such sites. You should exercise caution and look at the privacy statement applicable to the website in question.

Opt-Out: We have created an opt-out option within our Apps. You may choose it by visiting Privacy Controls and Selection No from Consent Screen, the Consent Screen is shown when you launch the App/Game for the first time, afterwards if you wish to change you can do it from Privacy Controls from within the app. Opting Out will mean that you will still be served ads, but they will not be tailored to your preferences. Opting out will also affect on Analytics and other 3rd Party SDKs used. Please note you cannot Opt-Out when you are using our website.

Kids Apps Privacy Policy: This Kids Apps Privacy Policy is appointed to provide the legal guardian of a child under the age of 13 with guidance regarding our privacy policies that concern collecting, using and disclosing personal information of children under 13. Parents and legal guardians of children under 13 have certain rights under Children's Online Privacy Protection Act of 1998 (COPPA, <http://www.coppa.org/coppa.html>). We do not knowingly and directly collect and store on its servers any personal information from children under the age 13 as that would be a violation of COPPA. Some information may be collected by third party providers of services (advertising networks, etc.) or certain products.

GDPR & CCPA Compliance: While playing our games you will be asked to give us consent for showing you personalized advertisements and enhance your experience using your IP address and other identifiers. If you do not give us consent, your information will not be processed.

NEW UPDATES IN PRIVACY

Third party website is all Google verified. We don't collect any data of user. If your data is already enter in the Google then we are not responsible for that. Because we collect log data (IP address, Device model, operating system) of user in case of any error found in the game. We do not collect any kind of personal data or we do not need any access of the user device or personal information like access to gallery, location, email, phone number, bank or credit card etc.

In case of children data policy, as you are the parent if your child enter the personal information in the game then we have not contain any responsibility of that. To remove these kind of information parents have to contact us to remove the personal information from the game.

Changes to this Privacy Policy: This Privacy Policy is subject to change and we may make any changes to this Privacy Policy as we see fit. We advise you to revise it from time to time so you would always be up to date with our practices.
