One Day State Level Workshop

On

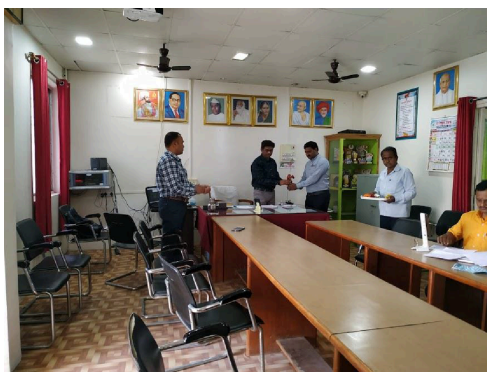

“Effective Use of ICT in Teaching”

Under Lead College Activity

Saturday 2/1/2021

REPORT

On Saturday 2nd January 2021, a state level seminar was held under Lead College on “Effective Use of ICT in Teaching”. This seminar was conducted in two sessions. In the first session, Dr. Santosh Kamble, Department of Chemistry, Yashwantrao Chavan Institute of Science, Satara gave guidance on 'Effective Use of ICT in Teaching and Research Methodology'. Also, in the second session, librarian Dr. Amol Khobragade, Yashwantrao Chavan Institute of Science, Satara guided on 'Amazing ICT Tools'. Both these lecturers explained the use of ICT, its nuances in a simple manner. Accordingly, Honorable Principal Dr. Pradeep Shinde expressed his thoughts. A total of 250 persons registered and responded to this workshop. Faculty, Professors, librarians, library non-teaching staff and students participated in this seminar. Dr. Sonali Pawar did Vote of Thanks for this workshop. Also Dr. Sharad Pawar Head of Marathi Department did Anchoring.
