

Hello (name),

I have looked into your business, and I noticed that you only capture people's attention through Google search and booking. So, I've been thinking about ways to help you increase the attention you're receiving. I can help you set up a Facebook page and an Instagram profile for FREE. I will also edit the first few pictures that you will post. All I ask in return for this is a feedback or evaluation of my services.

Kind regards, Mihai
