Academic and Sports Uniform Rationale - Design and Concept

Here at Kildare Catholic College we are proud of our heritage and understand that nothing denotes belonging and pride as much as wearing the uniform inspired by our rich history. During 2022 Kildare Catholic College embarked on a project to refresh the academic and sports college uniform that honours the history and supports our College vision.

With a consistent look across Years 7-12, the vision for the College community is a refreshed uniform that has been designed with a transeasonal approach of wardrobe coordinates. The uniform provides a more contemporary feel that enables the students to undertake their many and varied daily activities while feeling smart and comfortable.

Safe and Supportive Environment

Rationale:

Here at Kildare Catholic College we are proud of our heritage and understand that nothing denotes belonging and pride as much as wearing the uniform inspired by our rich history. Our uniform honours our history and supports our College vision.

With a consistent look across Years 7-12, the vision for the College community is a uniform that provides a contemporary feel, allows for flexible choice and enables the students to undertake their many and varied daily activities while feeling smart and comfortable.

Wearing the uniform well and correctly is an important part of being a member of our College community along with being the face of the College to the broader region.

Student Responsibilities:

- to wear the specified uniform for daily attendance at school as noted in the table below. This includes the wearing of the College hat while outside during break times in Terms 1 and 4. Those students without a hat on a particular day must remain in a shaded area throughout the break time.
- to ensure that the uniform is complete, fits well, is clean and tidy and is in a good state of repair. The uniform is to be worn correctly, appropriately and as purchased.
- to ensure that the uniform is worn in such a way that it brings credit to all members of the College community.
- to wear the full version of either uniform, not a mix, with the exception of the winter coat.
- Black leather / synthetic leather school shoes are the usual shoes to be worn with academic uniform. This is for safety reasons.
- Science and TAS require enclosed leather shoes as above for all practical work. This requirement includes days where students are wearing the sports uniform.
- VET courses in Stage 6 may require boots which are additional.

Kildare Catholic College

- Joggers or cross-trainers are to be worn on sports days **only**. Non-athletic footwear is not permitted such as basketball boots, canvas slip-ons and other forms of non-athletic footwear.
- Belts should be navy blue or black.
- To minimise jewellery and make up
 - Piercings:
 - Ear: Maximum of two small studs or sleepers may be worn in each earlobe.
 - Multiple piercings: Other visible body piercings may be kept open through the use of small studs which are not visible to the normal eye. Keeping a hole open will not be accepted as an excuse for wearing jewellery.
 - Other Jewellery:
 - One simple necklace or chain may be worn around the neck.
 - One simple ring and wristwatch may be worn.
 - One simple bracelet may be worn.
 - Make Up:
 - Make up and nail polish should be natural, not extreme.
 - Fake nails should not be worn for safety reasons.
- For safety reasons, jewellery may be required to be removed for sport or practical subjects.
- Hair (including facial hair) should be neat and tidy and not extreme in cut or colour.
- All hair longer than collar length must be tied back.

Parent Responsibilities as part of the Partnership Agreement

Parents are to ensure:

- the provision of the required uniform for their child each day of the week (see below Academic v Sports Uniform Schedule, which outlines the type of uniform that should be worn each day, for each year).
- students are meeting the requirements of tidiness, makeup, hair and jewellery.
- all items of clothing are clearly labelled with the student's name and Homegroup.
- communication as needed with the College ahead of issues arising e.g. contact the Homegroup Coach by email if the student is going to be in an incorrect uniform.

Procedure if a student is in incorrect uniform:

Our aim will always be to have every student wearing the correct uniform and wearing it well. However we also recognise that we will need to respond to those who struggle to get it right. If parents are experiencing difficulty in getting their child/ren to consistently wear the correct uniform, please contact your family's Academic Care and Wellbeing Coordinator (ACWC). **Those who are experiencing financial hardship are asked to privately contact College Leadership so we can support you.**
