

Support for SB2908 SD1 HD1

Dear Chair Tarnas, Vice Chair Takayama and the honorable members of the committee,

I am writing as a concerned member of the community to express my **support of SB2908 SD1 HD1**, which prohibits residential rent increases in affected areas for an unspecified period after a severe storm warning or issuance of an emergency proclamation.

I firmly believe tenants need better protection, especially after the recent disaster that caused more evictions and rent hikes across the island. Due to the August 8th wildfire we have seen the secondary wave of evictions, rent increases, and instability the disasters have caused island-wide.

SB2908 SD1 HD1, is a crucial step to help protect our community after the August 8th wildfires.

Mahalo for your commitment to addressing the pressing needs of our community,

Sincerely,

(Your Name)
