- Initial Impressions
 - Red, hazy air
 - Eerie
 -

- Land - Yes - Sandy/dusty

- Water - no

- Air/Space - Yes - blowing / windy
- red sky / air

- Nature / - Yes - outdoors, barren, no vegetation

- Eerie - YES - lots

- ~~very~~ very windy

- light or sunshine, but faded

-

- People - Yes - Had to make out

- Other - As soon as I started this view, ~~all~~ all those other thoughts from my day started popping up. Maybe it's me, or maybe it's deliberate screens.

- Feels like a dust storm - the wind is blowing very hard, but very gusty and from different directions. There is light but it's fading / dim.

- Other (cont'd) - I am far from my home. The dust/sand is very close, and I need to get shelter. I think there are other people nearby, but I don't see them.

- There is additional, powerful energy here. I can't identify it.
