## Privacy Policy

Coin Team Ltd ("we") fully respects the privacy of you and is committed to protecting your privacy. This privacy policy aims to help you understand how we collect, use, store, and protect your information when you use Number Merge("App/service").

Please be reminded that your act of downloading or using the App indicates your acceptance to our rules and policies concerning your personal information and your approval to grant us the right to collect, process, use, and store your personal information. You shall not to use our service if you do not agree with this privacy policy.

According to relevant laws and regulations, minors under the age of 16 should read this privacy policy in the company of parents or legal guardians. Under no circumstances are minors allowed to use our services without parents' or legal guardians' consent to this privacy policy.

### 1. How we collect and use your personal information?

Please be reminded that all information we collect will be anonymized and de-identified.

#### 1.1 Information volunteered by you

1.1.1 When you register an account, you can use an account from a third party, such as Facebook and Google, to log in to the App. In doing so, you are required to provide us with your third party account's avatar, username, account ID, and other information.

1.1.2 The information you initiatively send to us includes personal information, which includes and is not limited to your account, E-mail address, phone number, device ID, system language, APP version.

#### 1.2 The information we collect and use and the permissions we request

1.2.1 To ensure that you can normally use the Apps and services while realizing the analysis and statistics of product information and enhancing your device account's security, we or the third parties we cooperate with will collect your device ID, device name, device type, and version, system version, IP address, application ID, network connection status, network access method and type after your consent is obtained. Refusing to grant permissions to us or the third parties we cooperate with to acquire the above said information might affect your normal usage of our App or bring corresponding restrictions while you are using our App.

1.2.2 In order to save players' game information, images, and other information required for using our feedback feature, we might request permission for external device storage (access application and write to APP external storage space).

1.2.3 When you are using our services, we need to check your network connection status to send alerts to you on information usage for the purpose of saving your information.

1.3 Information collected and used by the third parties we work with and the permissions they request

In order to provide you with better products or services, we have integrated third party services (They include but are not limited to information analysis, third party payment, and advertisement.) into the Apps. The third parties we cooperate with and their respective privacy policies are listed below. Please read them carefully. We encourage you to read their privacy policies to learn more information as to how they process information.

## 2. How Do We Protect Your Personal Information?

2.1 We will apply every measure reasonably possible to ensure that we do not collect personal information unrelated to our services.

2.2 We apply encryption technologies normally required in the industry, anonymization, and other reasonable measures to encrypt and store your personal information and segment it. We will also use strict information access permission control to protect your personal information from unauthorized usage.

2.3 We will only allow necessary personnel to access personal information and have set strict access control and monitoring mechanisms. We also require all personnel that might access your personal information to respect corresponding obligations to be discrete, failing of which might cause legal responsibilities or terminate his/her relation with us.

2.4 We will use strict security systems and standard security technologies and programs in the industry to ensure that your personal information will not be lost, leaked, damaged, or abused.

2.5 The internet environment is not 100% safe. We will try our best to protect your personal information. When your personal information is leaked, damaged, lost, or involved in other security events, we will, in accordance with laws and regulations, inform you in time of the basic situation of the security event and its possible repercussions, the measures we have taken or will take, advice for you to independently prevent and decrease risks, and remediation measures suitable for you. We will also inform you of information related to this event via notifications. When it is difficult to inform all involved users, we shall choose a reasonable and effective way to make an announcement.

2.6 If we discover that you are utilizing our applications, services, and their related information for fraud or illegal activities, we will take suitable measures which include but are not limited to suspending or terminating your access to our application or services.

### 3. How we store your personal information?

3.1 In order to protect your personal information, the information that we collect will be stored according to relevant privacy laws and regulations in related countries. We will also store collected personal information inside or outside of the country or region where we operate within the permitted confines of local laws and regulations.

3.2 If we cease to provide services or operate, we and the third parties we cooperate with will stop collecting your personal information in time and shall abide by relevant laws and regulations to inform you in advance and delete or anonymize your personal information after we cease to operate or provide services unless there are laws, regulations or regulatory authority that demand otherwise.

### 4. How you can manage your personal information?

4.1 If you choose to delete this information, certain features that require this kind of information to function may become unavailable. Please contact us if you wish to check, edit or delete your personal profile. We will take reasonable measures after your identity is verified and your specific requirements are made clear.

4.2 You can directly contact us via the contact information provided in this privacy policy if you wish to delete ythe App account. Pleased be reminded that, once deleted, you account will be unrecoverable.

### 5. How we handle minors' personal information?

5.1 Please be reminded that we will not intentionally collect or solicit personal information about minors under the age of 16, or direct them to interest-based advertisements, or intentionally allow such people to use our services. If you are a minor under the age of 16, please do not send us any personal information about you, including your name, address, phone number, or email address. Minors under the age of 16 cannot provide any personal information. If we learn that we have collected any personal information about minors under

the age of 16, we will apply every reasonable method to delete that information. Please contact us if you believe that we might have information from or related to minors under the age of 16.

5.2 Please be reminded that the definition of a minor varies in different nations. In order to make sure that minors' information is properly and safely protected, we have set the age limit at 16 according to laws and regulations in relevant nations. Please contact us if you have questions.

## 6. Special Notification for residents in the E.U.

6.1 When transmitting personal information out from E.U., we will apply both technical and physical measures to protect your personal information in strict accordance with related laws and regulations in the E.U.. Please contact us if you have any questions regarding the mechanism that we use to transmit your personal information. We will only collect, use or store your personal information under the following circumstances:

6.1.1 You willingly and initiatively provide us with information.

6.1.2 It is collected for the purpose of providing the service(s) you demand.

6.1.3 Protect your or others' vital interest(s).

6.2 If you are a resident of the above-said country or region, you can contact us via the contact information provided in this privacy policy and provide us with the necessary information for us to correctly find the content or information you wish to delete. But if we have a right cause to keep your personal information for, take a hypothetical example, preventing fraud, we are not required to delete your personal information. Please also be reminded that there are circumstances where laws forbid us to execute your requirements, including

6.2.1 We cannot ascertain your identity.

6.2.2 What you request is deemed excessive.

6.2.3 What you request has a detrimental influence on others' rights or liberty.

6.2.4 Special Notification for residents in California, U.S.

## 6. About Cookies and Similar Technologies

We use Cookie and similar technologies for the purpose of providing you with better products and/or services. With the help of these advanced technologies, we are able to track your game progress and learn about your game info so as to provide you with a smooth and high-quality user experience. We shall not apply the above-said technology for any other purpose that is not listed in this policy. Please understand that certain services can only be achieved with these above-said technologies. If your device or related program permits, you can turn off or delete the above-said technologies by changing settings or visiting those technology providers' websites. But this might affect your experience with the Apps/services.

## 7. How we share, disclose or transfer your personal information?

When sharing, transferring, and revealing your personal information, we stick to three principles, minimum, necessary, and legal. Under no normal circumstances will we share, transfer, sell or reveal your personal information to outsiders. But, within the confines of applicable laws and regulations, we might share, transfer and reveal your personal information under the following circumstances:

7.1 We are under a legal obligation or this is a mandatory requirement from relevant departments.

7.2 We will reveal it to consultants, law enforcement agencies, and judicial and regulatory authorities to protect the legal rights and interests of you or other users or other individuals' lives, property, and other legal rights within the confines of laws and regulations.

7.3 When structural changes, including M&A and reorganization, take place, we may need to transfer your personal information to the third parties who acquire or inherit part or all our assets or stocks. If the changed entity needs to change the purpose of using your personal information, we will require it to solicit your explicit consent first.

## 8. Updates of Privacy Policy

8.1 In order to provide you with better service, the Apps, and their related services will update and iterate from time to time. We will also update this privacy policy without depriving you of any rights you have in this current effective privacy policy.

8.2 We reserve the right to change this Privacy Policy at any time. We will notify users on this page and possibly in this application or by any available means where technically and legally feasible. It is strongly recommended that you check this page frequently and refer to the last modification date listed in this privacy policy.

## 9. Contact Us

If you have any questions or suggestions for this privacy policy in the course of using our App, or want to request the deletion of your information you can contact us via [greenjoshjo023@gmail.com](mailto:greenjoshjo023@gmail.com). We will contact you within 15 business days once your user identity is verified.
