

Antithesis

Hello Everyone!

This is the Fan Contributions document, which I've created for the express interaction of readers and myself. This is open for all contributions or suggestions, although a few baselines rules are necessary.

1. No profanity in contributions
2. You are *not* allowed to delete or remove anything written by another
3. No insults or bashing another person
4. All ideas are valid, so please do not act rude or aggressive towards another if your own beliefs or contributions directly conflict with another.

At this time, all contributions are open and this is a completely open document. Anyone can join by clicking on the link, and anyone can send this link to others.

If your ideas do not follow the timeline of the story- do not fear! I will likely be writing small prompts or drabbles that are convergent from the plotline already.

Happy writing everyone! Drawing prompts are also allowed!

Good luck!

Suggested scenes so far

- Lutaín's perspective on any scene (likely within Hogwarts)
- Luna's perspective on any scene
- Luna and Adrian on a date
- Luna facing her bullies
- Adalinda's past/experience with Tom
- Adrian revealing his identity to Skylar (Ignoring the plot line completely)
- Tom going Protective-Papa-Bear over Adrian
- Lily and Adrian confrontation
- Infamous Bird scene
- Bellatrix telling Skylar that Adrian is his brother.
 - (OB here): Scene would likely take place out of common universe/timeline.
Bellatrix finding Adrian/having a raid on Order headquarters (no F. Ward),
big reveal scene. Possibly the first time Adrian is housed there!
- Sirius being drunk on dark magic with Adrian.
 - (Ob here) Scene with Adrian attacking a couch, or similar setting, except
Adrian baits or slowly eggs Sirius into a contest which steadily gets darker.
Sirius learns a spell from Adrian not knowing it's a curse, proceeds to get
"high" from it. Possible angst!
- Adrian kinda accidentally creates a new dark spell, // and uses for first time in front
of Sirius and/or Remus / Skylar

(Ob here): Sirius and Adrian letting out stress/ dark magic. Adrian tries out spell he didn't know. (How would logistics work? Where would Adrian *find* a dark spell?)

OR, training for DA, Adrian snaps and does do a spell, escalates and causes mass panic.

- Skylar harmlessly dropping “his last name is Riddle” to Dumbledore + Order
 - (Ob here) Dumbledore. Does. A. Spit. Take.
- Adrian visiting Godric's Hollow with (maybe) Tom the Bomb
- Remus and Tonks adopt Adrian and they live happily ever after in their home. They build that magical creatures room and adopt lots of animals that weren't meant to be adopted. Lots of fluff to fix our broken hearts over Luna. Maybe she never died and visits Adrian and the creatures.
- Luna's view as a newly-born thestral?
- Tom's POV concerning Adrian
- Resurrect Luna with something. Her death really hurt

Version from idc when - Marie

C'est un trou de verdure où chante une rivière
Accrochant follement aux herbes des haillons
D'argent ; où le soleil, de la montagne fière,
Luit : c'est un petit val qui mousse de rayons.

Un soldat jeune, bouche ouverte, tête nue,
Et la nuque baignant dans le frais cresson bleu,
Dort ; il est étendu dans l'herbe, sous la nue,
Pâle dans son lit vert où la lumière pleut.

Les pieds dans les glaïeuls, il dort. Souriant comme
Sourirait un enfant malade, il fait un somme :
Nature, berce-le chaudement : il a froid.

Les parfums ne font pas frissonner sa narine ;
Il dort dans le soleil, la main sur sa poitrine
Tranquille. Il a deux trous rouges au côté droit.

wow so what happened to my french poem? What was it? I don't remember but it was french.

This used to be a document for readers to give plot suggestions for a fanfic. Everyone here should be someone who read the "Antithesis" HP fanfic right.. - Klea

Personally, I think a BSD x HP fic would be great for my health rn - Aether

I just opened google doc for the first time and found this, I am quite confused. I have read Antithesis before tho, it's really good. I recommend the 'discovering darkness' series and the fic 'sunrise and reality' on ao3 if you liked it, they have a similar premise. Also, when did you guys write your comments? It's currently nov 6, 2024 that I am seeing this.

- Ash
