Professional Cleaning Services

ThisWorx for TWC-02 Car Vacuum is a great way to save time and money by cleaning your car's interior. It's easy to use and can remove unwanted food debris, cigarette odour, and disease-causing allergens and bacteria. A [HEPA filter](#) traps these particles, so you don't have to worry about them being released back into the air. Plus, the brush attachment makes cleaning hard-to-reach areas like the seats and floor mats easy.

Aesthetic and ergonomic design

This in-car vacuum features a transparent trash recipient that allows you to check your dry and wet dirt levels effectively. By automatically shutting the trash bag, debris remains secure in the sizable recipient, preventing unwarranted spillover in your spotless car environment.

Functionality

It is equipped with three nozzles to quickly clean any dirt clinging to inaccessible areas in your car. The vacuum contains a slight, non-bulky suction with an inbuilt rubber band that removes large and tiny dirt particles from your backrest, carpets, and car seats. Moreover, it includes an induction fan with a simple design that clears small dirt particles and debris from your vehicle's interior. In addition, the vacuum is equipped with a one-way rubber valve that secures the nozzles and prevents the escape of dirt particles.
