Level 1 Foundations in Integral Sound Healing

Learn effective techniques for sound healing with easy-to-play instruments to help yourself and others in your life that you care about.

This 3 month course gives you so much more than the theory of sound healing....you'll get practical 'how-to-do-it' instructions, plus personal contact and feedback with a top-class tutor, and connections with our community of sound healers around the world 

When you join this course, you'll:-

- Feel confident working with sound healing instruments and your voice
- Help yourself with healing sounds – feel more relaxed and calm
- Give effective sound healing sessions to your family and friends
- Integrate sound healing techniques into an existing therapy / healing practice
- Take the first step to becoming a professional sound healer!

Join now – please click the purple “Purchase Offer” button....

What you'll learn on this course:-

- how sound healing works – the science, art and spirit of sound healing
- how to work effectively with easy-to-play sound healing instruments and your voice
- foundational sound healing skills and techniques for working both off-body and on-body

What you'll get when you join this course:-

- access to our Online Learning Center with over 50 video tutorials; 6 audio downloads; 56 page handbook; workbook and other great learning resources,
- 100% 30-Day Money Back Guarantee – if you don't love this course you'll get a full refund

PLUS BONUS:

12 x 1 hour recorded webinars with Tony Nec and a panel of sound healing expert practitioners from around the world.

Value: \$100

The course involves 30 hours of tuition, study and practice, which is about 10 hours per month or 2.5 hours a week, if you wish to complete the course in 3 months.

WHAT PEOPLE ARE SAYING ABOUT THIS COURSE:

"I feel blessed that I discovered your course. The level 1 course is extremely well put together, easy to understand, and I will continue to refer back to the modules."

Natalie Brown, USA

“I have absolutely loved this course. The content online, through the teaching instruction videos, the audio downloads and the webinars was exceptional. A lot of information with a nice balanced amount of spiritual and scientific information.”

Trina Norham, Australia

“This course was everything that I had hoped it to be and far more!”

Dawn McKelvie, UK

“I have absolutely loved this course. The content online, through the teaching instruction videos, the audio downloads and the webinars was exceptional. A lot of information with a nice balanced amount of spiritual and scientific information.”

Trina
