## The best eco-friendly commercial cleaning provider in London.

If you're a Londoner looking for the best **professional cleaning** services, look no further than Green Facilities. We are the best in London because:

- We are the leading green commercial cleaning company in London.
- We use eco-friendly cleaning products and sustainable cleaning techniques.
- Our staff are highly trained and experienced in eco-friendly cleaning.
- We provide customizable services and flexible contracts.
- We pay our employees living wages and provide them access to top-quality products, tools, and technology.

### **Competitive pricing**

We believe using green and eco-friendly cleaning products should not cost much. That's why we offer competitive pricing for all our high-quality services. We aim to make ethical, eco-friendly cleaning accessible and attainable for everyone.

SEO Briefing:

### **Ethical cleaning**

We prioritise our employees by ensuring they receive a fair and livable wage. Moreover, we are committed to delivering the highest quality cleaning service in the industry, all while being mindful of our environmental impact.

### **Eco-friendly**

Our goal is to achieve cleanliness without compromising our values. Our commitment to using only environmentally friendly, biodegradable products and recycled materials ensures that our customers can have peace of mind knowing that their spaces are being cleaned in an eco-friendly manner.

## **What our customers say**

*Our issue was that we just weren't happy with the standard of the cleaning done on a nightly basis. With Green Facilities, we are much more health and safety compliant now as the chemicals are environmentally friendly, which is better for our staff and members. The end result is we have a really great relationship with Green Facilities. - Nick Csemiczky, General Manager, Oxfordshire Health and Rackets Club.*

*We've been using Green Facilities for the last 18 months and are delighted with their services. They are very accessible, and we know where to contact them if we have any issues. We have regular monthly visits. We're very comfortable with that arrangement and happy to recommend Green Facilities. - Richard Boyd, Manager, Grosvenor Travel Management.*
