

Vesica Institute - The True Rosicrucian & Holy Grail Traditions 2024

Description

Dr. Gilbert is known for his deep understanding of the Rosicrucian and Holy Grail Traditions as living streams of Spiritual Initiation, however he has only ever given one full series of live trainings in the subject. This series ran from 2002 to 2003, and has never been repeated. This is the most profound unveiling of these powerful hidden traditions ever offered by the Vesica Institute.

Fortunately, this series was videotaped and preserved. However, until now, it has been a part of the inner archives of the Vesica Institute and not available in any form.

The live recording of this Rosicrucian series has now been transferred to a digital format, and is available publicly for the first time as an online training series!
