

SL: Question for < prospects name >

Hey < prospects name >

< personalised compliment >

I was going through your website, and I noticed that you had run into some problems. These problems seem to be standing in the way of achieving your desired goals and they are having a negative impact on your business.

I have a few ideas that I believe we could use to fix the current problems that are standing in your way of achieving your desired goals in no time.

If you are interested to hear my ideas, please let me know.

Cheers

Wihan
