

Greetings to all!

Here is a recap of Membership activities for February:

Attendance is running in the 30's for in person and 20's for Zoom services.

No committee meeting in February as I held a wonderful visit with Kendra Staley about becoming a member. She is already well educated in UU having been active in the Hillsboro church(also membership chair) and she is ready to join us formally. I'm waiting on a date selection from Leslie so we can have our New Member Ceremony but Kendra is in no rush. She has already joined the Social Justice committee.

On Saturday evening 2/22 a small but lively group of Wy'east members gathered at Kendra & Paul's(husband) home for a pot luck dinner. It was great and a confirmation that Kendra is committed to Wy'east.

I believe the book and poetry gathering are up and running and certainly more group activities will be possible as we move into Spring and hopefully better weather.

Debra is keeping the Chalice Circle running well and Linda B. is keeping the Lilac Meadows program active.

Diane I. updates our window sign at the Center monthly and monitors the sign up sheets on our Welcoming & Information table.

Hank has requested his need to step down from involvement in the committee and he will certainly be missed. Thank you Hank for all you have done for the committee and Wy'east!

In these very unsettled times in our country Wy'east is our anchor thru this storm.

In community,
Ron
