

## Summer School Elementary Mathematics Resources

The following guide has been designed for teachers to use as a resource when planning summer school mathematics interventions. Please share [the link](#) with teachers who will be supporting our students during summer school. More information will be provided during the summer school [training on May 19 and 21](#).

If you have any questions or need additional support please contact [melissa.garber@jordandistrict.org](mailto:melissa.garber@jordandistrict.org) or [orla.ryandavis@jordandistrict.org](mailto:orla.ryandavis@jordandistrict.org)
