Additional Information - Clothing | Food/Drinks | Other Items

Students will be located in their House areas around the pool, under the canopies to reduce sun exposure. Whilst the school endeavours to provide shade for your child/ren throughout the day, it is essential that they bring sunblock, a hat and a water bottle. Students will be required to wear their school sports shorts, coloured House shirt, swim cap, goggles, swimwear and a towel. In addition to the normal canteen and cafe offerings, students will be able to buy sausages and icy poles on the day.

This is a House event and all participants will contribute points to their House's total. It is important to note that an event may consist of more than one heat; however, all heat place getters will receive a ribbon. Please note that all events accumulate both age group champion points and House points. The House Captains of the winning team and Age Group Champions will be presented with the winning trophy and medallions at the presentation held at 2:10pm.
