**Full, uncut versions of all our YouTube 'Classical Musicians React' videos are uploaded to our Patreon as exclusive content! This even includes the reactions we DON'T post publicly to YouTube as well. Sometimes we film too many reactions and don't have the budget or time to edit all of them without falling more than 1 year behind schedule, so when that happens, we upload them as unedited for Star Idol YT and Patreon members. This is the current list (each upload consists of 1-4 hours of uncut reaction footage!):*
