Application

1. Please share an overview of your career and research achievements to date.

(200 words max.)

2. What motivates you to pursue a Global Fellowship at the University of St Andrews?

Please address the following points in your response:

(i) How does your research align with or complement research conducted at St Andrews?

(ii) What collaborative research or specific project do you intend to undertake during your visit?

(iii) How do you plan to foster long-term engagement with St Andrews? *(400 words max.)*

3. Please outline your proposed engagement plan, which may include activities such as delivering a research seminar, conducting undergraduate or postgraduate training sessions, mentoring early-career researchers, or presenting a public lecture.

(200 words max.)

4. The University of St Andrews is dedicated to fostering equality, diversity, and inclusion. If you wish, you may use this space to highlight any significant periods of leave (e.g., career breaks, parental leave, or similar circumstances) that may have influenced your research trajectory or academic progress. (200 words max.)

5. How did you learn about the Global Fellowship Scheme?
