Last Updated: 24.01.2024

1. Acceptance of Terms

By accessing or using the Pico app, users ("You") agree to be bound by these Terms of Service ("Terms"). If you do not agree to these Terms, do not use Pico.

2. Description of Service

Pico is a chat-based application designed for students to create study groups with integrated AI assistance. The AI assists in studying and organization based on the context of the conversation.

3. User Accounts

To use Pico, you must register an account providing a username, password, email, and phone number. Your information is stored locally. You have the right to delete your account and request the deletion of your personal information by contacting team@pico.fyi.

4. Privacy and Data Usage Pico requests access to your contacts and files on your phone for optimal functionality. For more information, please refer to our Privacy Policy.

5. User Conduct and Content

a. Users are responsible for the content they share within study groups.

b. Pico does not actively censor user-generated content but will moderate content when AI assistance is requested, in compliance with ChatGPT guidelines.

c. Users must not share content that is illegal, abusive, or infringes on the rights of others.

6. Intellectual Property All content provided by Pico's AI, including responses and materials, are the property of Pico and/or its licensors and are protected by applicable intellectual property laws.

7. Disclaimer of Warranties

Pico is provided "as is" and "as available" without any warranties, either expressed or implied, including but not limited to, implied warranties of merchantability or fitness for a particular purpose.

8. Limitation of Liability

Pico will not be liable for any indirect, incidental, special, consequential, or punitive damages, including but not limited to, loss of profits, data, or other intangible losses, resulting from your use of the app or services.

9. Modification of Terms

Pico reserves the right to modify these Terms at any time. Your continued use of the app following any changes indicates your acceptance of the new Terms.

10. Governing Law These Terms shall be governed by the laws of Brasil, without regard to its conflict of law provisions.

11. Contact Information For any questions about these Terms, please contact us at team@pico.fyi.

Privacy Policy for Pico

Effective Date: 24/01/2024

1. Introduction Welcome to Pico. We are committed to protecting the privacy and security of our users' data. This Privacy Policy explains how we collect, use, disclose, and safeguard your information when you use our Pico app.

2. Information Collection

a. **Personal Information**: We collect personal information you provide to us directly, such as when you create an account. This information includes your username, password, email address, and phone number.

b. **Usage Data**: We collect information about how you interact with our app.

c. **Device and Access Information**: We may collect information about your mobile device and your use of app features, including access to your contacts and files.

3. Use of Information

The information we collect is used for the following purposes:

a. To provide and maintain our service.

b. To improve user experience.

c. For customer support and to respond to your inquiries.

d. To monitor the usage of our service.

4. Data Storage

Your personal information is stored locally on your device and is subject to your device's safety and security settings.

5. Data Sharing and Disclosure

a. **Storing User Messages**: We store the messages that you send and receive within the app on our servers. This is essential for providing seamless service and for maintaining the functionality of our chat-based study groups.

b. **Sharing with Third Parties**: In addition to the disclosures mentioned in the previous section, we share certain user data with our AI partner, ChatGPT, for the purpose of providing AI assistance within our app. This includes:

- **User Messages**: When you use the AI assistance feature in our study groups, the messages you input may be shared with ChatGPT to generate relevant responses and assistance.
- **Data Usage**: The data shared with ChatGPT is used solely for the purpose of enhancing the AI's ability to assist in your study groups and is not used by ChatGPT for any other purpose.

c. **Ensuring Privacy with Third Parties**: We ensure that all data shared with ChatGPT adheres to our privacy standards and is in compliance with applicable data protection laws.

6. Data Security We strive to use commercially acceptable means to protect your personal information but remember that no method of transmission over the internet or method of electronic storage is 100% secure.

7. Children's Privacy Although Pico has no age restrictions, we do not knowingly collect personally identifiable information from children under 13. If you are a parent or guardian and you are aware that your child has provided us with personal information, please contact us.

8. Changes to This Privacy Policy We may update our Privacy Policy from time to time. We will notify you of any changes by posting the new Privacy Policy on this page.
