

Word Choice: Mini Lesson #4

Personification

giving _____ (qualities, feelings, action, or characteristics) to non-living objects (things, colors, qualities, or ideas).

Example:

The window winked at me.

*The verb, wink, is a human action. A window is a non-living object.

The strawberries seemed to sing, "Eat me first!"

*Strawberries can't physically sing.

Why use it?

Authors use personification to make stories/ poems more _____ and _____ or to convey a certain mood. Personification also helps us to relate more to the object or idea that is being personified because it is easier for us to relate to something with human attributes.

Write your own:

Personification Identification:

Song 1:

Title: _____

Artist: _____

Personification:

Song 2:

Title: _____

Artist: _____

Personification:

Song 3:

Title: _____

Artist: _____

Personification:

Song 4:

Title: _____

Artist: _____

Personification:

Song 5:

Title: _____

Artist: _____

Personification:
