

GREEN TEAM SUPPLY LIST

2021-2022

Welcome to the Green Team!

To reduce the risk of cross contamination, we strongly recommend that students have their own supplies. Please have your supplies by the first day of school if possible. If providing school supplies is a hardship, please email a Green Team teacher directly so that we can help. *Donations of Kleenex, hand sanitizer, Clorox wipes and paper towels are always appreciated!*

Sincerely,
Green Team Teachers
