Infinite Campus - Import Student Pictures During the Year - New students

When new students come after Lifetouch has taken pictures and sent the CD for upload, some of the buildings will take the student's picture and send it to me to be uploaded into Infinite Campus.

- Open the Image
- Make any edits RESIZE, crop, rotate, etc.
- Save
- **NOTE** The size should be about 346x519 pixels
- In Infinite Campus Go to:
 - Census
 - o People
 - Demographics Tab
 - Choose upload picture
 - Find picture you saved
 - Upload
