- Trunk or Treat- 5:30-7 PM- Teachers can begin setting up at 4:30. Performances: World music at 6, Showchoir 6:30.
- Ms. Black came up with an easy sponsorship idea for T or T. Businesses or families can sponsor \$100 per trunk, or \$500 sponsorship level for food. 5 trunks already committed. Ms. Varella mentioned we should get students or staff to send thanks to those who donate.
- Mr. Biggs said Pizza X will donate pizza for the event. We can get more pizzas at a discounted rate Food table and PTO trunk will be together. We are making great headway for getting donations. We are not charging for food. People will get tickets for their slices. Title table will have the tickets to give out. Mr. Biggs is working on planning for picking up pizzas. We will need 3-4 volunteers at the food table. Start serving pizza at 5:30.
- PTO trunk theme- Great Pumpkin
- Ms. Black is planning to go to Kroger, other than the Seminary Square location and/or Sam's club to fill out a form for the PTO and receive a \$50 gift card.
- November- Emma Ford is going to pass the Holiday cards sales responsibility to Theresa Malone this year. Mr. Biggs mentioned we should spread the word more about them. We are hoping to find out soon about when the cards will be created and ready. Mr. Gobert mentioned he would speak with the Art teacher about starting them now.
- Holiday Store: Open during school hours. Current plan for Dec. 5-6. 15 minute blocks for classes coming through. Changed original date from the 12-13th due to a consideration for students who celebrate Hanukkah.

Treasurer's report:

- Balance went up this month. Ms. Varella mentioned that we are doing well in terms of being able to raise money and then turn around to fund programs and items for teachers and students.
- Ms. Varella is working on finding out about making sure we appropriately acknowledge donors and get them receipts for tax deductions.
- Ms. Black reached out to staff at Western Skateland about a skate night. Tuesdays are special nights for discounted admission and skates. Fridays would be \$5 and \$1 would come back to Fairview PTO. Skates would be free.
