

MMSD Online Resources

Below is a list of resources that families may access during this time of school closure. These resources have been curated to support at-home enrichment. All resources offer high-quality and free content. As a resource, students should start on their school's library portal pages which are provided at the bottom of this document. Each school library portal will provide students access to databases and programs that they are currently using in their schools.

In addition to the resources that have been provided, please find an [open resource](http://bit.ly/EducationCompaniesfreesources) (<http://bit.ly/EducationCompaniesfreesources>)* of education companies that are providing free subscriptions during this time of closing.

*Please note that this document is not curated or vetted by MMSD; it is solely provided as a resource.

Wifi Access

Charter will offer free Spectrum broadband and Wi-Fi access for 60 days to households with K-12 and/or college students who do not already have a Spectrum broadband subscription at any service level up to 100 Mbps.

- **Enrollment:**

- To enroll call 1-844-488-8395. Installation fees will be waived for new student households. Please note that enrollment will start Monday, March 16, 2020.
