

Sound Composition Instructions

FOR THIS ACTIVITY, YOU WILL NEED THE SOUND COMPOSITIONS [PDF](#).

1. The sound composition page can be used as a printed copy or copied onto a piece of paper.
2. Look at the different sounds that can be made for this activity. Try each of them out on your own.
3. Create four extra sounds at the bottom of the page. Use your imagination!
4. On the next page or on a separate piece of paper, there are boxes. Each box represents **ONE BEAT**.

a. Optional- cut out the squares

5. FOR GRADES 3-5:

Fill each beat box with a sound. If you look, each row is made up of four beats. These groups of beats are called **MEASURES**.

FOR GRADES K-2:

Practice making patterns using the different sounds.

6. When you are done filling out each box, perform each measure until your composition is complete.
