**Abstract**

Please prepare the abstract of your paper using this sample file as a template. The abstract presented in this manuscript must be identical to the abstract originally submitted to the conference system. The abstract should clearly state the main findings of the study, highlight its academic novelty, and specify its practical or scholarly contributions. The manuscript must be prepared on A4 paper in portrait orientation, with margins of 2.5 cm at the top and bottom and 2.8 cm on the left and right. The abstract should be concise and appropriately structured. The abstract title ("Abstract") should be in 12 pt, bold, and centered. The main text of the abstract should be in 12 pt, single-spaced, fully justified, with no first-line indentation. After the abstract, leave one blank line and list up to four keywords separated by commas. The word Keywords should be in bold, as illustrated below:

**Keywords:** Building Information Modeling, Artificial Intelligence, Energy Conservation and Carbon Reduction
