

BHC MANDATORY COVID-19 GUIDELINES

- **All House Members shall wear masks in common areas.**
- No guests
 - Noted that there can be exceptions for romantic partners who are also following the guidelines strictly.
- Everyone washes hands first thing when they get home, for 20 seconds
- All hand towels washed daily on sanitize cycle
- Hand towels only used once
- Disinfecting surfaces twice per day
- Everyone has their own bowl/cup/silverware
- If someone gets sick, we designate one bathroom for the affected folks to use.
- Sick people avoid common areas as much as possible.
- People who travel by train or plane should be quarantined for 5 days and they can use the bathroom; roommates will help supply food
- If you show flu-like symptoms you must wear a mask in public spaces (once BHC masks are available on March 24th)
- If a co-op resident tests positive for the Corona virus, everyone in the house needs to wear masks and the entire house is under a quarantine for 2 weeks
- Guidelines will be posted in a public place in the co-op
- **A house can modify the guidelines through consensus; whether to make them more restrictive or to remove items**

Chrysalis: 1 quest per person

No masks required in common areas
