Email Swipes

Swipe 1: Pre-launch

Subject: Finally something good...

Hey {!firstname_fix},

Yes, you heard me right.

I said finally something good to look forward to and not just the next wizbank software that promises to make you a bazillion dollars in 1 sec.

I am one of the few lucky ones that got a sneak peek at it. Let me tell you...I am so excited about this.

Keep your eyes on your inbox around 11am EST tomorrow. I will fill you in.

Sincerely,

[your name]

Swipe 2: Launch 11am

Subject: Your Traffic Problem is solved

Hey {!firstname_fix},

They have done it!

Sam and Cindy just released Traffic Outbreak

I told you yesterday that I was one of the lucky ones to check it out.

Now it's your turn. Trust me you are

going to be super impressed with what
they have in store.
Check it out here!

Sincerely,

Swipe 3

Subject: Every Successful Marketer Knows This...

Hey {!firstname_fix},
Look, I know you are busy so I will keep
this short and sweet.
You can talk to any guru you want out
there and they are all going to tell you
the same thing... traffic is the key to your
success!
So how do you get quality traffic that will
help you build your audience and earn
you money?

[YOUR-ID]

You're in luck, because that's exactly
what my friends Sam and Cindy have
in to show you.
They took their list from 2,000 to over
10,000 subscribers in less than 4 months.

They are sharing all their traffic methods with you and the best part is that they are also giving you PLR to it. So now you can not only use it to grow your own audience but you can also use the training as your own.

[YOUR-ID]

The launch price ends soon and then the price will go up. All I can say to you is...grab it before it goes up or you are going to miss out.

Sincerely,

[your name]

Swipe 4

Subject: What Are You Waiting For?

Hey {!firstname_fix},

Seriously, what are you waiting for?

You are not only getting access to the traffic methods Sam and Cindy used to grow their list from 2,000 to over 10,000 but you are also getting PLR access to all of them.

But now you are cutting it close because you have less than 24 hours to grab your PLR license before the price goes up.

[YOUR-ID]

Don't blame me if the price goes up and
you are too late.

[YOUR-ID]

Sincerely,

[your name]
