

**The text is for question number 1-3**

I think Labuan Bajo is a beautiful place that more people should visit. It is not as famous as Bali or Lombok, but it is very special. In my opinion, Labuan Bajo has clean beaches, amazing views, and unique animals like the Komodo dragon.

People should go to Labuan Bajo because it is quiet and peaceful. You can swim, take a boat, or watch the sunset. Because it is not crowded, you can enjoy nature more. Also, it is a great place for adventure.

To sum up, I feel Labuan Bajo is a great hidden gem in Indonesia. That’s why we should protect it and tell others about it.
