

The Shiver Shark

Down beneath the water,
down beneath the waves,
down beneath the slimy sludge,
there lies an ocean cave.

Deep within the ocean cave,
deep within the dark,
deep within its rocky walls,
there lies the shiver shark.

The shiver shark is waiting,
where the shiver sharks all hide.
The shiver shark is waiting . . .
and his mouth is opened wide!

Don't go . . . beneath the water,
down beneath the waves,
down beneath the slimy sludge,
into the ocean cave,
for deep within the ocean
cave,
deep within the dark,
deep within its rocky walls,
there lies the shiver shark!
