

Students who wish to have a locker must visit the front office **during non-instructional time** (e.g., before school, during lunch, passing periods, or after school) to request one. Lockers are assigned for student convenience, not privacy, and remain **school property**.

- **Assumption of ownership:** Everything stored in your locker is assumed to be yours. You are fully responsible for all contents.
- To protect your belongings: use a **school-issued lock**, keep combinations confidential, and ensure your locker is **always properly locked**. The school is **not responsible for lost, stolen, or damaged items**
- **Locker sharing is prohibited.** Only the student assigned to the locker should use it.
- **Searches:** Since lockers are school property, **administrators may inspect or search them at any time**, with or without reasonable suspicion, to ensure health, safety, and rule compliance.
- Always follow locker use rules—misuse may result in losing locker privileges.
