

Privacy Policy

This app is developed and provided by liesdonkwout@outlook.com. This Privacy Policy explains how we handle your personal information when you use our App. By choosing to use this service, you agree to the collection and use of data as described below. We only collect information necessary to operate and improve the App, and we never sell or share your data beyond what is explicitly stated here.

Information Collection & Use

To enhance your experience, the App may request certain personally identifiable information (e.g., name or alias). This data remains stored locally on your device and is not collected by us. However, third-party services integrated into the App may collect anonymized data for analytics and performance optimization.

Log Data

If the App encounters an error, we may automatically collect diagnostic *Log Data* through third-party tools. This may include:

- Your device's IP address

- Device model and OS version

- App configuration and usage timestamps

- Other diagnostic information

This data helps us troubleshoot issues and improve functionality.

Cookies

While the App itself does not use cookies, some third-party SDKs or services (e.g., analytics tools) may employ cookies to track usage. You can disable cookies in your device settings, though this may limit certain features.

Third-Party Services

We collaborate with trusted third-party providers for:

- App hosting and maintenance

- Technical support and analytics

- Payment processing (for in-app purchases)

These partners may access limited data only to perform their services and are contractually prohibited from misusing your information.

Security

We implement industry-standard measures to protect your data. However, no digital platform can guarantee 100% security. We advise users to take precautions when sharing information.

External Links

The App may include links to third-party websites. We do not control these sites and are not responsible for their privacy practices. Review their policies before submitting any personal data.

Children's Privacy

The App is not intended for children under 13. We do not knowingly collect data from minors. If we discover such data has been shared, we will delete it immediately. Parents/guardians who believe their child has provided information should contact us promptly.

Policy Updates

We may update this Privacy Policy periodically. Changes will be posted here and take effect immediately upon publication. Check this page regularly for updates.

Contact Us

We share anonymized app usage data with Apple only to prevent refund fraud. For full details on our refund policy, please refer to our Privacy Policy and Terms of Use. For questions or concerns about this policy, reach us at:
