Your school library's mission statement:

The mission of CIS Library is to promote education by teaching students and staff to be effective users of information and ideas and to promote literacy, critical thinking and effective communication. To accomplish this mission, the library staff will cooperate fully with the school staff, administrators and the community in fulfilling the following goals:

1. To provide access to materials that will enrich and support the curriculum, taking into consideration the varying interests, abilities, languages and maturity levels of the students served.
2. To provide access to materials that will stimulate growth in factual knowledge, literary appreciation, aesthetic values, and ethical standards.
3. To provide background information which will enable students to make intelligent judgments in their daily lives.
4. To provide access to materials from differing perspectives on controversial issues so that students may develop under guidance the practice of critical thinking.
5. To provide access to materials representative of the many religious, ethnic and cultural groups represented in the school.
