

## Invasive (*non-native*) Species Report

*Use the internet to search for the answers to the questions below and discover 3 invasive species to write about on the table on the back side of the page.*

1. What is an invasive species?
  - a. Describe 3 characteristics common to invasive species
  - b. Describe 2 common methods of introduction.
  - c. Describe 3 ways invasive species negatively impact the native ecosystem they are invading.

*My favorite Invasive Species*
