

翰林 B2 L6 Would you eat that?

Reading Graphic Organizer

[Teacher's version]

I. Learn more about cultural differences? → Look at **food**.

Everyday dish in one country → **strange** to a foreign visitor.

(e.g.) Stinky tofu → a few websites list it as the world's most **unusual** foods.

II.~V.

Food	Raw octopus	Fried insects	Black pudding	Civet coffee
Country	<u>South Korea</u>	<u>Thailand</u>	<u>Britain</u>	<u>Indonesia</u>
Ingredient	X	X	<u>pig's blood</u> , <u>onions</u> , <u>oatmeal</u>	From <u>Civet's</u> stomach
Accompanying Sauce	<u>Sesame Oil</u>	X	X	X
Taste	<u>Tender</u> and <u>delicious</u>	<u>Crispy</u> , taste good	X	Special flavor. <u>Sweet</u> .
Feature	Octopus pieces still move in the throat/might stick in your throat.	Rich in <u>protein</u>	Looks like <u>pig's</u> <u>blood cake</u> in Taiwan. Cut into slices. Serve as part of <u>full English</u> <u>breakfast</u> .	Collect from Civet's waste.

VI. The foods may not be to everyone's taste, but they are enjoyed by many people in their places of **origin**. One of the best ways to learn about a culture is through its food. Open your mind, and you will find a whole world of interesting dishes out there.
