

Most Non Profits have this Structure - [Pick the appropriate sections and share with us] - If you are adding custom content which does not come under this, please make appropriate pages and structure it properly.

1. Homepage

- **Hero Section:** A powerful image with a tagline summarising the mission.
- **Mission Statement:** A brief, impactful statement about what the organisation does.
- **Call to Action:** Buttons for donating, volunteering, or learning more.
- **Impact Highlights:** Key statistics or success stories showcasing the organisation's impact.

2. About Us

- **Our Story:** A narrative about how and why the organisation was founded.
- **Mission and Vision:** Detailed statements of the mission, vision, and values.
- **Our Team:** Photos and bios of key team members and board of directors.
- **Partners and Supporters:** Logos and descriptions of key partners and sponsors.

Can Create a Drive folder with your Org name and share all the images in it.
