

WE'RE BUILDING ACROSS INDUSTRIES. WE'RE ALSO BUILDING A TEAM THAT THINKS LONG-TERM.

We're a group of businesses operating across industries -
but what connects us is how we work.

We value ownership, consistency, and people who take pride in doing things well.
If you're looking to be part of a team where you can build, not just execute,
explore the opportunities below.

Finance Manager (Real Estate & Investments)

Dubai

5+ years in real estate development, contracting, or project-based industries within UAE.

Job Role:

We are seeking an experienced and results-driven Finance Manager (Real Estate & Investments) with 8-10 years of professional experience. The role will oversee financial operations, including Accounts Payable, Accounts Receivable, Treasury, and Special Projects, while leading and mentoring a high-performing finance team. This position requires a strong background in real estate finance, regulatory compliance, ERP systems, and strategic financial planning to support the company's growth and operational excellence.

Trading & Operations Executive

Hong Kong

2-5+ Years of Hong Kong based Experience required

Job Role:

We are seeking a highly motivated and detail-oriented Trading Operations Officer to join our team. This entry-level position is ideal for a quick learner with strong communication skills and a basic knowledge of MS Office. As the go-to person for all administrative and document management tasks, the Trading Executive will support various operational processes, ensuring accuracy and efficiency throughout.

This role will focus on process coordination, assisting in logistics, administration, and operations both with internal teams and external vendors. Previous experience in these areas - particularly within a trading or business environment - is a plus.

Regional Sales Manager

Hong Kong

5-8+ Years of ASEAN Market Experience required

Job Role:

The Sales Manager (Physical Trading) supports the development and execution of strategies to drive growth and profitability in the trading sector.

This role involves identifying new client opportunities, building and maintaining existing client relationships, and coordinating with internal teams to enhance operational efficiency. Key responsibilities include market analysis, preparing proposals, negotiating contracts, and ensuring client satisfaction. The ideal candidate will have strong analytical skills, excellent communication abilities, and a keen understanding of trading dynamics. Physical Trade deals with clients in Hongkong, Singapore and the ASEAN region.

Global Sales Regional Manager (Trading/Commodity)

Dubai, Production City

2-5+ Years of UAE/Global Trading Experience required

Job Role:

Global Sales Regional Manager (Trading/Commodity) is responsible for driving revenue growth, market expansion, and client portfolio performance across international trading markets. This role partners closely with trading, operations, and risk teams to execute commercial strategies, deepen client relationships, and enhance end-to-end sales effectiveness. The position requires strong commercial judgment, a deep understanding of global

trading dynamics, and the ability to engage clients across multiple regions. The ideal candidate combines strategic thinking with hands-on execution, delivering sustainable growth while maintaining high standards of client service and profitability.
