**Abstract:** Write the abstract in English first if the original article is in English. Write the abstract in Portuguese first if the original article is in Portuguese. Maximum word limit 250 words.

**Keywords:** Keyword1. Keyword2. Keyword3. Keyword4.

**Resumo:** Escreva o resumo em inglês primeiro se o artigo original estiver em inglês. Escreva o resumo em português primeiro se o artigo original for em português. Limite máximo de palavras 250 palavras.

**Palavras-chave:** Palavra-chave1. Palavra-chave2. Palavra-chave3. Palavra-chave4.

**1. Introduction**

[Context and background information; research problem or question; significance of the study; purpose of the section]

**2. Theoretical framework and literature review**

[Key concepts and definitions; theoretical framework or perspective C. Review of relevant literature; summary of research findings; gaps or inconsistencies in the literature; connection to the research problem or question]

**3. Research design and methods**

[Research approach or methodology; data collection procedures; data analysis methods; ethical considerations; limitations and delimitations.]

**4. Results**

[Presentation of findings; description and interpretation of results; use of visual aids or tables to support results]

**5. Discussion**

[Summary of findings; implications and contributions to the field; strengths and weaknesses of the study; suggestions for future research.]

**6. Conclusion**

[Restate the research problem or question; summary of the main points; final reflections or recommendations.]

## References

List of sources cited in the article using the ABNT standard for references in Brazil, which is NBR 6023:2018 - "Informação e documentação - Referências - Elaboração". This standard provides guidelines for creating references in various types of documents, including books, articles, theses, and online sources.

### o How to cite articles

Author, A. A.; Author, B. B. Title of article. **Title of journal**, v. 20, n. 3, p. 123-135, May/June 2022.

Hypothetical example: PEREIRA, A. J. P. A morte como horizonte antropológico. **Synesis**, v. 9, n. 2, p. 1–14, 2017. Available at: <https://seer.ucp.br/seer/index.php/synesis/article/view/1376> Accessed on: 25 feb. 2023.

### o How to cite books

Author, A. A. **Title of book**. Edition. Place of publication: Publisher, year.

Hypothetical example: Garcia, R. L. **Modern Philosophy: An Introduction**. 2nd ed. Rio de Janeiro: ABC Publishing, 2019.

### o How to cite books chapter

Author, A. A. Title of chapter. In: Editor, E. E. **Title of book**. Edition. Place of publication: Publisher, year. p. 123-135.

Hypothetical example: Lee, M. R. The Role of Ethics in Journal Publishing. In: Johnson, R. J. **Business Ethics: Concepts and Cases**. 5th ed. New York: XYZ Press, 2020. p. 67-82.

### o How to cite video

Author, A. A. **Title of video**. Format. Place of publication: Publisher, year. Duration. Disponível em: <URL>. Acesso em: dd mmm. aaaa.

Hypothetical example: Silva, M. J. **The Importance of Philosophy**. Video. São Paulo: FitLife, 2021. 30 min. Available at: <https://www.youtube.com/watch?v=abc123>. Accessed on: 15 Feb. 2022.

In the above examples, the "Author, A. A." format represents the first and last name of the author(s), while "Title of article" or "Title of book" represents the respective titles of the sources. The other elements such as edition, publisher, and year should be adjusted to the specific source being cited.

Articles by foreign authors may use the standard valid and customary in their countries of origin.

### **Acknowledgment and conflicts of interest**

The authors declare that they have no conflicts of interest with respect to the research, authorship, and/or publication of this article. [If there are any potential conflicts of interest to report, they should be disclosed in this section. For example, if one or more of the authors has a financial or personal relationship that could influence the study's design, analysis, or interpretation, that relationship should be disclosed.]

We also acknowledge the contribution of the language model tool [LLM software identification, model, version] which was used in the analysis and interpretation of our data. The advanced capabilities of [LLM software identification, model, version] allowed us to [describe everything that was accomplished with the software, such as generating and analyzing complex linguistic structures, leading to a deeper understanding of the research problem].

We acknowledge the financial support of the [name of funding agency], which provided the resources necessary to conduct this study. Their investment in our research is deeply appreciated and we hope that our findings will contribute to their mission of promoting the health and well-being of individuals and communities.

Any errors or omissions are our own.
