

# Announcing Freak Pussy Munson Freaktober

🍊🍊🍊 Get ready for this Freaktober with Freak Pussy Munson! 🍊🍊🍊

## What is it?

This is a highly informal event spanning the month of October inspired by [@soulsofstarsliveinyourveins](#) and her amazing mind! The only requirement is that Eddie Munson has a freak pussy. Think the traditional intersex omegaverse anatomy, but the vagina is above the penis rather than below (will include drawn references below courtesy of @Mugloveronly & @inthewychelm). This is an omegaverse event but that doesn't mean that Eddie needs to be an omega to have a freak pussy. He could be an alpha or a beta with a freak pussy if that floats your boat. Hell, he could be a freakpussy omega with a knot too! get freaky and out of the box with it! Do what your heart desires! Any and all ships are welcome, any designations are welcome, and any character that you want can have their freak pussy as long as Eddie gets his too 🍊🍊🍊

## requirements:

There is no word count requirement or restriction on the kind of media you post. If you want to write a one shot or a multi chapter fic, go for it! If you want to draw or paint or scrapbook or animate some Munson freak pussy you're more than welcome to!

The only real requirements are...

- Participants are 18+.
- Things are tagged accordingly so that nobody gets a jump scare. If you choose not to tag you must click that you don't want to use archive warnings, so people know what they're getting into.
- Eddie Munson has a freak pussy

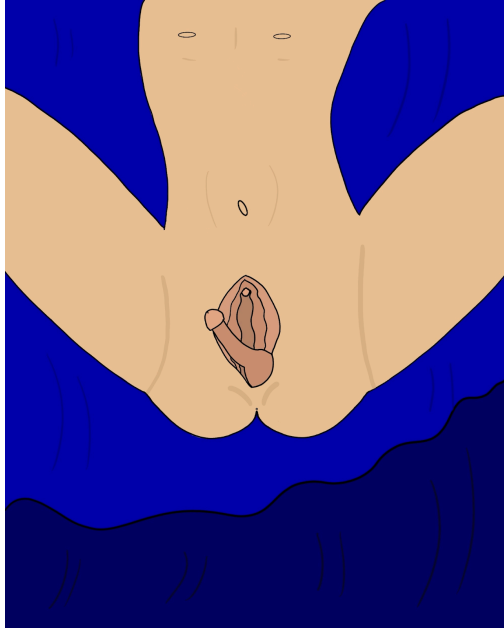

Artists welcome.

**DISCLAIMER:** Again, this is an 18+ event!!

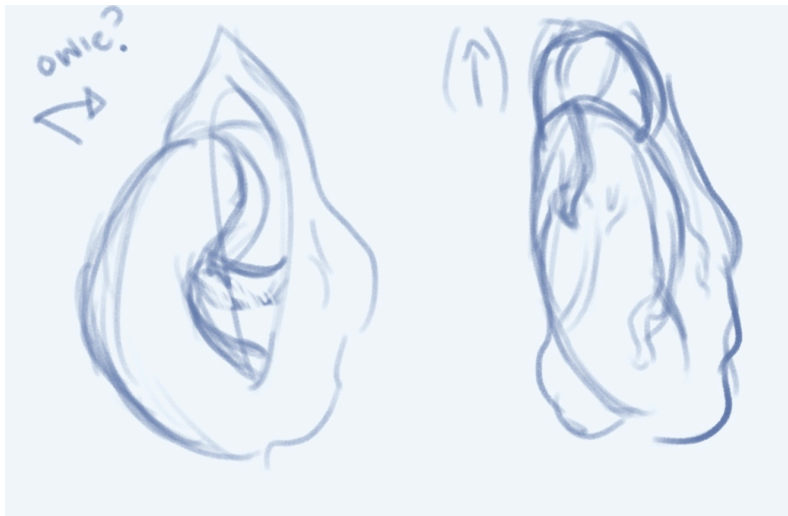

if you have any questions dm mommymilker1 on bsky or me, @elvendog-blog on tumblr

Posting starts October 1 and ends the 31st but I won't tell anybody if you're a few days late. 🍊🍊🍊
