

Daily Live Interaction Classes for TK-12th Grade Home School Academy Students

Daily Class Overview

Visions In Education staff are offering LIVE Daily Interaction classes to support student wellness in grades TK-12. Daily Live Classes also provide an opportunity for students and teachers to connect and enhance the school-to-home connection. Classes help build community between staff and students, as well as with school-age peers. Each 30 minute class includes a short Social Emotional Learning (SEL) lesson and an opportunity for students to interact with our staff and other students.

Daily LIVE Class Structure - 30 minute class

- Check-in
- SEL Mini-Lesson
