

# Special Area Assignments

5/4/2020-5/8/2020

Each day, students should focus on one special area. Our special area classes are a great opportunity for students to get a break from core subjects, supplement their learning, and enrich their lives. We will collect and grade work on a weekly basis.

This week, please copy and paste our daily assignments/links to your online classroom, or upload this document and instruct students to visit one special per day. Double check that you have the correct special area teacher for your students for art, music and PE.

## Monday- Music

## Tuesday - Art

**Sabourin's art assignments. This week Grade K-2, and Grades 3-5 have separate links.**  
(For Styczynski art class, scroll down.)

**K, 1st, 2nd Grade:** <https://forms.gle/CVHpJhJ4E91YiiUq7>

**3rd, 4th, 5th Grade:** <https://forms.gle/edDyRFJLwRoeiBXS9>

These links will take students to a Google Form with two art "challenges" and instructions. For each activity, students are to submit a title and either a photo of their artwork or a short writing about their artwork.

*Weekly Art Challenge K-2: Create and color an artwork with overlapping shapes.*

*Weekly Art Challenge 3-5: Draw sphere forms to create imaginary planets in outer space.*

## **Wednesday - Media**

Check Ms. Kinnaird's Google Classroom for your assignments.

## **Thursday - Science Enrichment**

***Science Enrichment Assignment 5/7-5/13:*** <https://forms.gle/hCpSQ64kWz15XFGp9>

- Science Reading & Comprehension Activity: Read the story about "Food Chains" then answer the questions.
- Science Challenge: Complete Melting Ice Challenge then answer the questions.

The link will take students to a Google Form where they will complete their science activity for the week. Please ask them to read all the questions before starting the assignment. They have until May 13th to submit the form.

Every Thursday students can start their science enrichment activities and will have until Wednesday the following week to submit them.

## **Friday - PE**

Due to Ramadan, I have assigned 2 different activities that are not strenuous. There is a kindergarten-1st grade activity and a 2nd-5th grade activity on the exit ticket. Also, there is an option for students to choose to do any activity they want and complete the exit ticket.

Click on this link to complete:

Here is this week's activities. There are 2 things to do this week as well as visiting the D-Shines link for something PE and Nutrition related each day. The weather has been beautiful so both

activities in this document can be completed outdoors. Get outside and soak up some sun and most importantly have some fun!
