Note on Lent Worship Arts: The goal of the display is to aid our focus on the journey to the cross as we approach Easter and also on the *7 Last Sayings of Jesus* as our theme. There are at least 7 layers of purple fabric draped on the cross and the lighter shades will be revealed as each week passes. The cross will move from being in darkness (darker purple) towards being revealed in lightness (lighter purple, then white) as the heaviness and fabric falls away. This is a way to

symbolize our journey through the Lenten season and the joy and hope that is revealed on Easter Sunday.
