And there’s more...

I Need This Now

We’ve partnered with Dr. Allan Frankel, M.D., who’s one of the world’s leading authorities on **treating cancer** and many other diseases with medical cannabis.

You may remember Dr. Frankel as one of the experts featured in The Sacred Plant “*Healing Secrets Exposed*” and “*Healing Secrets Examined*” docuseries.

Dr. Frankel is an internal medical doctor with over 39 years of medical experience. He’s also the founder of the renowned medical cannabis clinic, GreenBridge Medical, in Santa Monica, CA.

Since opening his medical cannabis clinic in 2006, he’s created the most cutting edge medical cannabis protocols for every type of condition and disease, including cancer.

These cancer-fighting protocols can treat all types of cancer, including prostate cancer, brain cancer, lung cancer, breast cancer, and more.

And thanks to *The Sacred Plant: Healing Cancer Masterclass*, you'll get the answers you need to help you fight cancer.

You'll have a leading medical expert take you by the hand and guide you as you create your own personal cancer protocol for your type of cancer... so you can treat your cancer effectively.

This comprehensive program is the breakthrough cancer-fighting lifeline you've been searching for...

And someday soon you may even go to see your doctor... and discover that your tumors are shrinking... your cancer's spread is reversing... or that the scans can't find any cancer at all!

It's all possible, thanks to *The Sacred Plant: Healing Cancer Masterclass*.

A Special, Limited-Time Discount

By now, you may be wondering what it costs to join *The Sacred Plant: Healing Cancer Masterclass*.

Well, we've invested hundreds of hours researching and creating the 7 modules, 6 Q&As and 9 additional bonus gifts you'll receive.

I've seen other health-related masterclasses with a fraction of the information included in ours selling for \$2,000 to \$3,000.

And remember, in addition to the 7 modules and 9 bonus gifts, you'll also get 6 pre-recorded Q&A sessions with me and Dr. Frankel.

A single doctor's visit costs an average of \$350. That means your 9 pre-recorded Q&A sessions with Dr. Frankel are worth over \$3,150.

So when you consider all the modules, bonuses, and pre-recorded Q&A sessions you'll receive, *The Sacred Plant: Healing Cancer Masterclass* is conservatively valued at \$4,400.

But, we know pricing *The Sacred Plant: Healing Cancer Masterclass* at \$4,400 would mean most people couldn't afford it.

And the last thing we want is for price to stop people from accessing this life-changing resource.
