

Gladbrook-Reinbeck Community School District

600 Blackhawk Street

Reinbeck, IA 50669

(319) 345 - 2712

Dear Rebel Families,

I am writing to share our current plans for tomorrow, April 16, due to the expected severe weather. While we are planning for a full school day, we are closely monitoring the weather forecast and will take all necessary precautions to ensure everyone's safety.

Should severe weather conditions occur at the time of dismissal tomorrow, we may have to hold students at school until it is safe to dismiss them. We understand that this may cause some anxiety and inconvenience, but please know it is done for the safety of everyone involved.

Our shelter areas are structurally safe and our staff is trained to manage situations like these effectively. We believe that our schools are among some of the safest places for our students during severe weather events.

We will keep you updated through our normal communication channels - Facebook, School Website, App, Email, and Text. We will also update information on news websites should there be any changes to the school day.

For any questions or concerns, please feel free to contact myself, or your building principal.

Take care and have a GReat one!

Caleb Bonjour
Superintendent
Gladbrook-Reinbeck CSD
