

Grade 11 Student-Led Conferences (SLC)

Spring 2024

Overview: SLCs are a time for students, family member(s), and teachers to connect with each other in order to determine how they all can better support students and celebrate their successes.

Logistics:

Step 1: Students will create a slideshow for their SLCs according to the instructions (click [here](#) for instructions and template). Students will submit a PDF of their slideshow to Ms. Shier's US History Canvas course. **This is due Friday 3/8 by 11:59pm. This will receive a grade in all of your classes.**

Step 2: Check your appointment day and time on the spreadsheet ([click here for the spreadsheet](#)). SLC meetings are in Ms. Shier's room (4105) from 2:00pm to 4:00pm from Monday 3/11, Tuesday 3/12, and Wednesday 3/13. If the day/time doesn't work for your parent(s)/guardian(s), email Ms. Shier to receive a different day/time. Thursday 3/14 is also a possibility and is reserved for rescheduled meetings.

- If parent(s)/guardian(s) are unable to attend in person, the student or they must email Ms. Shier to schedule a Zoom meeting instead

Step 3: Arrive at your appointment on time and go over your slideshow with your parent(s)/guardian(s).
