

This Is Written So That You May Believe –

Week #8 Small Group

Pray First!

What are some cultural norms that you'd like to see shattered in today's culture?

Today's message is about a thirst that can only be quenched by Jesus. Talk about a time in your life when you knew the only answer to a situation was Him.

Read John 4:1-39

In Pastor Jeff's message he covers John 4 and the woman at the well. What are some observations you make about Jesus in this passage?

Watch the video

- What are some things that stand out to you in today's message?
- Jesus' interaction with the woman was several layers thick...talk about these things:
 - The fact that he was talking to her (He crossed boundaries because she mattered!)
 - The fact that she was at the well in the heat of the day – what does that say about her?
 - He called out her sin but didn't condemn... (Truth and grace)
 - He treated her as a person and with respect...
- Pastor Jeff shared this quote: "Sin – always promises fulfillment and NEVER DELIVERS! How have you experienced that in your own life?"
- How has Satan targeted your weak spots to trip you up?
- Pastor Jeff brought up how every time we choose sin we are drinking poison. What are some ways you can make the choice NOT to drink poison!
- Talk about ways you grow in your faith.
- What are other things from today's lesson you'd like to talk about?

Close in prayer!
